**Solve
It!**

Who are we?

Solve Logistics specialise in logistics and the service industry. We are a family run **Irish** company founded 40 years ago in Dublin.

Operating from two regional depots in Dublin and Wexford we deliver throughout Ireland mainly Cork, Galway and Dublin.

We bring
quality
all over Ireland

What can we do for you

Our aim is simple, to help deliver and sustain a high quality service to our customers' with:

QUALITY delivery service - we use highly trained professional drivers in our state of the art fleet to deliver your orders when planned. Operated throughout Ireland stations at Dublin, Cork, Galway and Wexford.

DELIVERIES are operated 6 days a week.

SERVICE AND REPAIR - We offer a high quality installation service.

GREAT PEOPLE - Our team of great drivers and service reps are trained to a high standard with customer focus a main priority.

COMPETITIVE PRICES - we are committed to bring you valued prices.

Marketing support - we will continue to invest and grow our brand with innovation and brand awareness.
